RE\_THINK YOUR OFFICE

# RE\_THINK YOUR\_ WORKSPACE\_

Visualise an office where architecture, furniture and technology interconnect seamlessly. NEO\_EVOLUTION brings together these elements, allowing you to re-think your office space to reflect how you work.

# DESIGNED\_ FOR\_ CHANGE\_

A creative and adaptable workspace improves communication and supports team working. NEO\_EVOLUTION enables you to work the way you want. Work privately for one task, then adapt the workspace for a different activity or work style. Functional work or project groups can sit alongside each other in a creative environment promoting informal communication and interaction.

# A\_ MODULAR\_ SYSTEM\_

1

A height adjustable post and beam that provides space with structure and offers infinite planning options to support individual or collaborative working.

2

An arterial spine wall with zoned access to power and data providing instant user connectivity. The unique pass through facility allows cables to be accessed at any point along the beam.

3

Accessories such as desk mounted acrylic screens, beam mounted shelves and storage boxes and desk mounted monitor arms allow the product to be specified to meet your exact needs

4

Vertical support post / cable riser

5

Lay-in cable management allows cables to fall into position naturally

6

Under desk CPU cradles help to keep the worktops clean.

# PERSONALISE YOUR\_ WORKSPACE\_
