

J2407/J3407

The BodyBilt J2407 and J3407 provide exceptional comfort, ideal for users with a more compact body-frame and weight of up to 21.4 stones (136kg).

- Moderately contoured broad seat for even weight distribution and encouraging good posture.
- Contoured and compact backrest to support the natural shape of the spine.
- J-mechanism allows for knee-tilt rocking motion.
- Fully adjustable armrests to adapt height, width and angle.
- Adjustable seat height, seat angle, seat slide, seat tilt and tilt tension control.
- Adjustable backrest height and angle.
- Air Lumbar Pump® to adjust support of lower back support to alleviate discomfort associated with stretched ligaments, muscle fatigues and pinched disc.
- J3407 comes with dual pivot headrest.
