

J2504/J3504

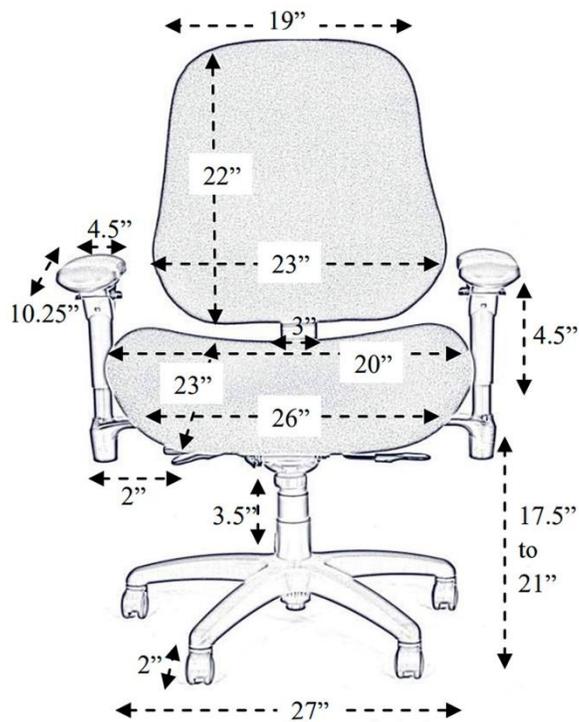

Specially designed for the big and tall, the Bodybilt J2504/J3504 is a heavy seating solution that provides optimal comfort and proper ergonomic posture support for workers up to 35 stones (222kg).

- Contoured broad seat for even weight distribution and relaxation for leg muscles.
- Reinforced seat structure that is 22% larger than average to accommodate workers above the average weight.
- Contoured backrest to support the S curvature of the spine.
- Fully adjustable armrests to support the arms whilst working.
- Adjustable seat height, seat angle, backrest angle, seat slider.
- Adjustable seat tilt and tilt tension control.
- Air Lumbar Pump® to optimise support on lower back support to alleviate discomfort associated with stretched ligaments, muscle fatigues and pinched disc.
- J3504 comes with dual pivot headrest.

J2504/J3504
